

"Happiness is good health and a quick forgetfulness," they say!

We are born with the capacity to love.

Opportunities like this don't come around very often.

Opportunities like this don't come around very often.

You can do everhthing you want. Always belive in yourself.

You can do everhthing you want. Always belive in yourself.

Love is about actions. Words alone aren't enough.

An ordinary day. People as they truly are.
